

PAY BY TEXT & TWO WAY MESSAGING

THE MODERN WAY TO
CONNECT WITH CUSTOMERS
& COLLECT PAYMENTS FAST

FOR DEALERSHIPS

Earn and retain loyal customers by connecting the way they prefer - through text messaging, on their own time, with no new app to download. Text customers Pay by Text links for maintenance and repair services.

FOR AUTO LENDERS

Collect auto loan payments faster with convenient Pay by Text invoicing. Let customers pay bills 24/7 with just a click.

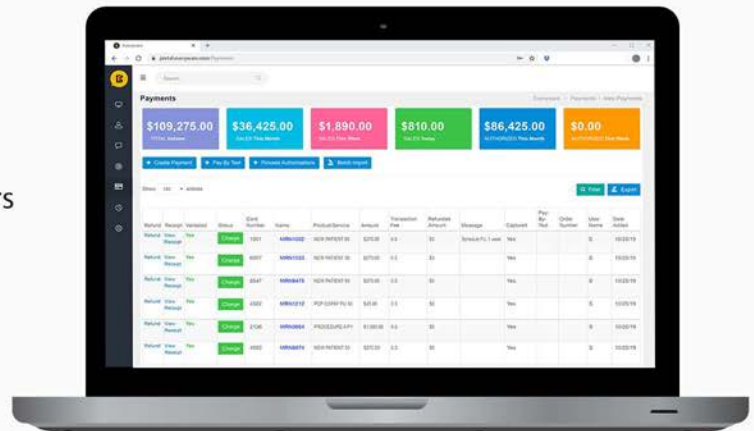

PAYMENT & MESSAGING PLATFORM

Payment integrated text communication is an easy way to boost collection and build stronger relationships with customers. Everyware enables automotive sales, service centers, and lenders to connect through two-way text messaging and easily collect payments via secure Pay by Text links. All messaging and payment activities can be managed through one safe and user-friendly web platform.

Payment Module

Manage all text payments centrally with ease

- ✔ View daily, weekly, monthly payment activity
- ✔ Send one-time payment texts
- ✔ Timesaving batch billing with auto due date reminders
- ✔ See payments add up in real-time
